School of Medicine  
Stanford University  
Palo Alto, California

Dear Josh:

This is just to confirm our arrangement for Thursday, November 16th. Evy and I will be coming out to Stanford at 10:00 a.m. that day, Evy to see some of her people and I to see Luca. As we agreed, I will come to see you at 2:00 p.m. We are not yet sure at which hotel we will be staying in San Francisco, but I will be calling Luca some time after we get in Monday afternoon, November 14th, in case there is a message you want to get to me.

We both really look forward to seeing all the Lederbergs.

All the best.

Cordially,

Herman A. Witkin
